

EXTREME HANGOUT COP28 DUBAI

IT'S A WRAP!

Celebrating intergenerational conversations

The discussions, storytelling, workshops, and evening programs ensured a rich and insightful experience. Thank you for joining us on this transformative journey at Extreme Hangout COP28 Dubai, where passion met purpose, love partnered with resilience and all together we showcased that dreams and hard work can equal a truly magnificent future for all!

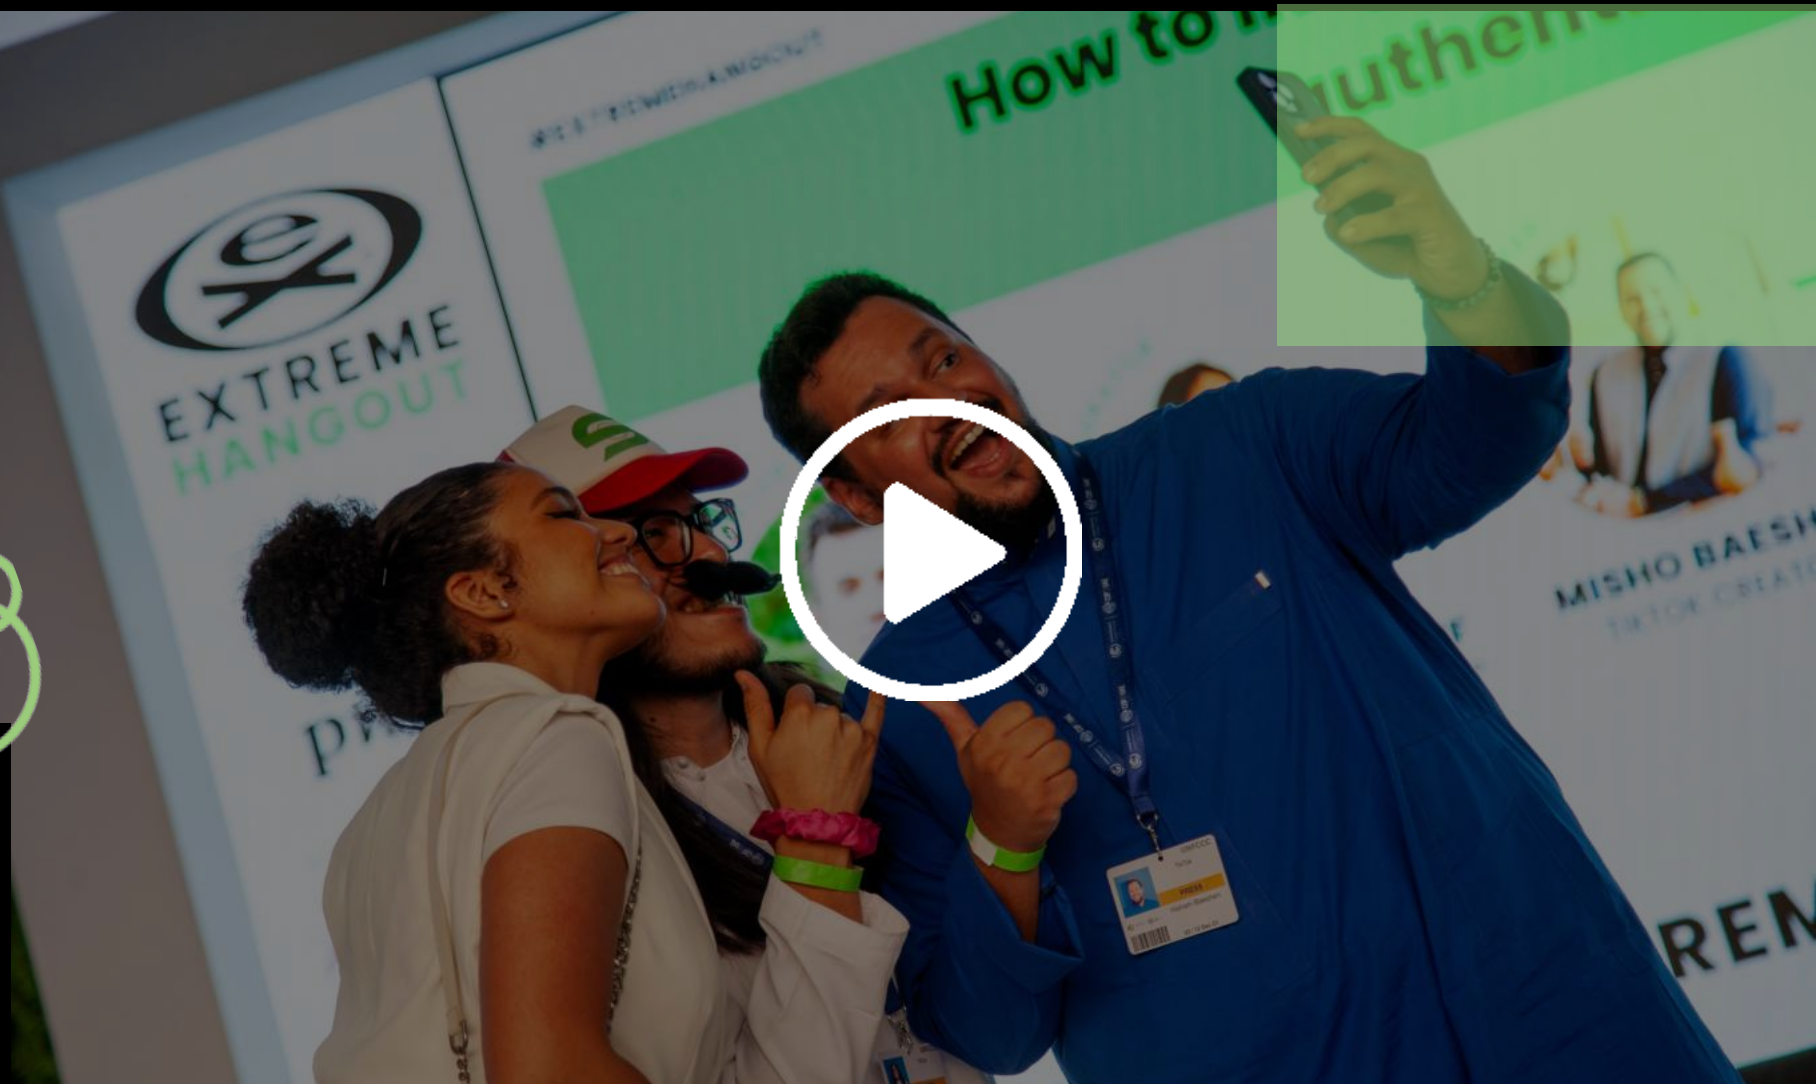

Thanks to Extreme Hangout for being so flexible and accommodating throughout. I found the whole experience inspiring and it's given me the drive to keep creating change where I can.

DAYS SPEAKERS FEMALE VOICES NATIONALITIES OVERUSED BEANBAGS

Using music to create an impact

A musical workshop by Jurgis Didžiulis, an inspirational artist and activist added a creative touch and underscored the multifaceted approach needed to tackle the urgent issues discussed at COP28.
